Apostles' House is dedicated to providing comprehensive and innovative services to help empower families and individuals experiencing homelessness and improve their physical, emotional, social and financial quality of life.

Homes 4 the Homeless was founded to provide innovative, transitional housing solutions for chronic homelessness using modular building techniques. For example, they were part of an innovative 90-day program using converted containers to shelter residents who are at-risk or without addresses, located at 79 Newark Street in Newark.

Corporation for Supportive Housing (CSH) provides training and education, galvanizes supportive housing solutions with capital funds, specialty loan products and development expertise, provides consultation and engages in policy reform. CSH provides training and technical assistance through its National Training and Technical Assistance Partners (NTTAP) to health care for the homeless (HCH) programs.

There are approximately 1000 homeless people living in Newark on any day and they are accompanied by nearly 500+ children.

GOODNATION PHILANTHROPY ADVISORS SMARTFUND

Solving Homelessness in Newark

With a single donation to the Solving Homelessness in Newark Smartfund, you can combat homelessness on multiple fronts: providing shelter to those in need, improve the sector so more people can be helped and change the system so fewer people have to live with homelessness. In this way, every dollar given to this Smartfund will generate both a significant immediate impact and results that grow over time.
