**DIRECT SERVICE: 60%**

Covenant House New Jersey provides comprehensive residential care and related services to help New Jersey’s youth who have suffered from abuse, neglect, abandonment, homelessness, and human trafficking build a life for themselves. They journey with young people from the streets, to Residential Crisis Centers, transitional living homes, and on to independent living in the community to help them break the cycle of homelessness and poverty.

Operation Chillout is New Jersey’s oldest all-volunteer mobile outreach for homeless veterans, men and women. Each winter Operation Chillout prepares a backpack filled with warm clothing – zipped hooded sweatshirt, non-leather gloves, knit cap, warm socks, thermals and delivers these to the homeless. In summer, they collect and deliver cases of life-saving bottled water, T-shirts and baseball caps.

Family Promise of Bergen County empowers homeless working families to become self-sufficient by providing temporary housing and personalized support. Their programs range from offering temporary shelter to ongoing support as families transition to permanent housing.
