Solving Hunger in Camden

With a single donation to the Solving Hunger in Camden Smartfund, you can combat hunger on multiple fronts: providing food directly to those in need, improving the efficacy of existing services, and making systems-level change so that fewer people will experience food insecurity to begin with. In this way, every dollar given to this Smartfund will generate both a significant immediate impact and results that grow over time.

In Camden County, there are 27,280 food-insecure children, 24% of whom are currently ineligible for federal nutrition programs. Overall, the total food-insecure population is 77,600.
