GOODNATION PHILANTHROPY ADVISORS SMARTFUND

Solving Hunger in Philadelphia

With a single donation to the Solving Hunger in Philadelphia Smartfund, you can combat hunger on multiple fronts: providing food directly to those in need, improving the efficacy of existing services, and making systems-level change so that fewer people will experience food insecurity to begin with. In this way, every dollar given to this Smartfund will generate both a significant immediate impact and results that grow over time.

For more than 40 years, residents of North Philadelphia's East Germantown neighborhood had no place to buy healthy, affordable food with the nearest grocery store a 20-minute bus ride away. The story of this neighborhood is not unique. It is the story of the thousands of communities all across the country that lack access to healthy, affordable food.
