Direct Service: 60%

Although many in Westchester are wealthy, wages remain low and stagnant for the working poor, and the cost of living continues to rise. With fixed expenses like rent and childcare, groceries are often the first family expense to be cut. 7.8% of the Westchester County population are food insecure.

Feeding Westchester and Feeding America

Lifting Up Westchester assists those struggling to overcome the challenges of poverty, homelessness, hunger, health and education. They work with men, women and children as they create their own unique path to a more fulfilling, healthy and independent life.

HOPE Community Services has become a full-stop community service organization. They offer summer camp, housing for the homeless, a kosher pantry, community outreach and so much more.
